Honorable Leverett Saltonstall
 United States Senate
 Washington 25, D. C.

Dear Senator Saltonstall:

This is in further reference to your letter of 30 January regarding Mr. [redacted].

Mr. [redacted] was interviewed by an Agency representative in September 1955 and subsequently filed a complete set of application papers. His qualifications were thoroughly reviewed in all appropriate segments of the Agency. Unfortunately, we were unable to locate an opening in line with his specific talents, and we so informed him on 4 January 1956. Following receipt of the current Form 57 which you forwarded, another review was conducted, but the situation remains unchanged.

You may be sure that we shall get in touch with Mr. [redacted] if at any time in the future we find we can utilize his services.
